## **1. Introduction**

Level of education and economic strength are indicators of development for any category of society. Population of Scheduled Tribes in the state is 153.16 lakh (according to Census 2011) which is 21.10 percent of the total population of the state, thus Madhya Pradesh is such a state in the country where every fifth person belongs to Scheduled Tribes. In order to ensure the welfare and development of these sections the Tribal Affairs Department has control over the schemes prepared by department under the allocated budget.

It is seen that there is no access to professional coaching/guidance after class 10<sup>th</sup> to students of scheduled tribe category. Because of this the students get less success in entrance examination of national level institutes. They are even not aware about courses available in different streams. It is thought that after passing the 10<sup>th</sup> examination, bright students of scheduled tribe category among those who perform well and scores 60% and above marks will be selected through transparent process. They also will be given further school education in 11<sup>th</sup> and 12 standard and at the same time professional guidance through reputed coaching institute will be provided.

Hostel facilities are already provisioned for students of scheduled tribe category at divisional level by department. Students will be provided accommodation at hostel, formal education in schools and professional coaching in selected institute under this ambitious scheme.

### **1.1 Objective**

The objective of Akanksha Yojna is to improve the success ratio of scheduled tribe category students in the entrance examination of Medical, Engineering and Law.

Under this scheme coaching/professional guidance will be provided to students so that they get equal opportunity in compared to all other students of different categories.

To improve the success ratio of scheduled tribe students in entrance examination and finally admission into institute of repute, it is proposed to facilitate coaching for Scheduled Tribe students of 11<sup>th</sup> and 12<sup>th</sup> standards.

### **1.2 Background**

Madhya Pradesh is one of the most tribal dominated state in the country. The state government is trying to improve the indicators of socio-economic and educational development. With a predominant presence of the Tribal population, health & education has become a priority. The provision of education is of paramount importance and State governments have massive focus on improving the educational indicators of the State Tribal domiciles.

As one of the key enabler to address these concerns, training/coaching assistance for entrance examination of professional courses will be provided to student of Schedule Tribe category.

It is envisaged to provide coaching guidance to Student of XI & XII to improve their success ratio in qualifying the Engineering, Medical and CLAT entrance Exams. All the concerned expenses of coaching, schooling & boarding shall be borne by the Tribal Affairs Department. The selection of students to be benefited from the scheme will be on basis of a Qualifying Entrance Test. The test shall be conducted by the selected agency (Bidder) and shortlisting of candidates will be done on merit basis with equal gender enrollment ratio.
